10 hours

80W Car Refrigerator
11 hours

50W UAV
51 times

345W Electric Drill
2.6 hours

Capacity	1048Wh
Fully Charged Time	DC: 8 hours
AC Continuous Output Power	1000W
Operating Temperature	-10°C-40°C
Lifecycle	>2000 cycles
Package List	1 x Portable power station 1 x Power adapter 1 x User manual
Machine Certification	PSE, FCC, CE, UL, ROHS, MSDS, UN38.3
Product Package	Carton+foam
Charging Function	Support
Product Dimension	394x213x287mm
Net Weight	16kg
Material	Aluminum alloy + ABS plastic, fire-proof level is UL94V-0

JYE P-SERIES 1000W (P1000) LFP Battery

MULTIPLE PROTECTION
Protection of BMS and charger

COLOR CUSTOMIZED
Personalized customization of multiple colors

ALL-IN-ONE
Integrated handle design

HIGH EFFICIENCY
High efficiency solar charging MPPT

MULTIPLE PORTS
Support multiple electrical equipment

Xiamen Suntrans New Energy Technology Co., Ltd.
Unit 1403A, 147 Tapudong Road, Siming District, Xiamen361008, China.
